CREATE A DATA BASE IN CLOUDANT DB:

1) Create dashboard:

The screenshot displays the Cloudant Databases dashboard. On the left is a dark sidebar with various navigation icons. The main content area is titled 'Databases' and features a 'Create Database' button. Below this is a table with the following columns: Name, Size, # of Docs, Partitioned, and Actions. The table is currently empty. At the bottom right, a status bar indicates 'Showing 1-0 of 0 databases' and 'Databases per page 20'.

Name	Size	# of Docs	Partitioned	Actions
------	------	-----------	-------------	---------

2) Create the name and database
